**Job title:** Working student in the field of IT (m/f/d) - Part Time

**Job description:** Are you looking for a way to gain professional experience alongside your technical training? You are into IT and able to search more effective ways to manage the daily business? Are you into digitalisation and internet? Do you use social media not only for dating and cooking recipes? Then you should join us! After an introductory phase, you will support our IT department in the implementation of dynamic projects. In this way, you can gain hands-on experience in a young team. In addition, we offer you a long-term full-time position.

**Your strengths and qualifications:**

**YOUR STRENGTHS**

- Analytical skills and strong ownership
- Solution-oriented and structured approach
- Readiness to learn new topics and to drive them independently after an induction – with support and in close coordination with the managers and other colleagues in the department

**YOUR QUALIFICATIONS**

- Ongoing technical studies (FH or university) - industrial engineering, mechanical engineering, computer science or comparable
- You are fluent in German and English
- (Object-oriented) programming knowledge and initial experience in web development
- Reporting & analytical skills
- Know-how of Dashboard Tools and MS Power BI is a plus
- Basic knowledge of relational databases and SQL as well as basic knowledge of HTML/CSS/JS

**YOUR RESPONSIBILITIES**

- Analysis of comprehensive data from different areas of responsibility and different sources
- Participation in the creation and optimization of high-performance dashboards using Power BI
- Active participation in the further development of the IT infrastructure for data analysis

**Our offer:** We offer an attractive salary, extended practice-oriented training in an international field that lasts several months and an informal, multinational atmosphere to work in. The minimum salary, depending on qualifications and professional experience, for this position starts at € 18,000 per year based on part-time employment (20 hours per week).

**WE OFFER**

**Security**

- A secure job with a familiar corporate culture in a stable, future-oriented industry

**Career & Perspective**

- A practical training lasting several months in an international environment
- Career opportunities - We do not hire new managers, but rather train them in the company
- Financial support for language courses for German as a foreign language (up to level B1) + state ÖSD examination

**Social benefits**

- Free parking in the car park next to the office building
- A free transped shuttle from / to Wörgl train station or from / to Innsbruck, adapted to working hours
- Discounted refueling at the in-house petrol station (diesel)
- Meal-voucher
- Health offers: company doctor and various vaccination offers as well as team sports with colleagues
- In addition, cool events and common leisure activities
- We are happy to offer assistance in finding accommodation

Payment is based on the collective agreement - the actual gross salary depends on training, relevant work experience and qualifications. There is a willingness to overpay.

**Contact person:** HR
