Job title: Head of Intermodal (m/f/d)

Job description: Intermodal provider in large parts of Europe with an equipment of currently 250 craneable intermodal trailers, another 50 trailers are on order.
From our headquarters in Wörgl we serve our equipment with 4 employees in the intermodal area and about 30 dispatchers who share their passion for sustainability and efficiency in European rail transport .

Your strengths and qualifications:

FIELD OF ACTIVITY

- Independent management and further development of the Intermodal Business Unit
- Strategy, conception, planning, & realization of further projects
- Development and expansion of the European rail network
- Office outside of Wörgl
- Technical as well as operative project management with internal responsible persons and negotiations with customers, truckers and rail operators
- Responsibility for customer acquisition in cooperation with our sales department, as well as acquisition of truckers
- Further development and expansion of the staff in the intermodal team
- Responsibility for figures and budget
- Further development of existing systems and process optimization

YOUR PROFILE

- Profound operational professional experience in intermodal traffic
- Secure IT application knowledge
- Strong analytical and communication skills
- Independent and structured way of working as well as high flexibility
- Good English and Italian language skills
- Potential to take over a European management position

Our offer: **If your profile meets the requirements of the advertised position, there is the possibility of an annual salary of up to € 90,000 gross (based on full-time employment). Part of this remuneration is an annual bonus and an attractive benefits package. The actual gross salary depends on education, relevant work experience and qualifications.**

OUR OFFER

- Attractive remuneration & benefits package
- individual training
- Team-oriented international environment
- in-house training
- Long-term perspective with career opportunities in a successful family-owned group of companies
