Job title: Transport Manager Intermodal Services (m/f/d) English and Italian

Job description: Whether by water, rail or road: in the position of a Transport Manager in our Intermodal Department you are the contact person for our external suppliers as well as for our internal Transport Managers regarding intermodal transport solutions. Furthermore, you support our existing partners and expand your business network. After having completed your training, you will be responsible for the organisation, supervision and reprocessing of all multimodal transports within your designated area.

Your strengths and qualifications:

YOUR STRENGTHS

- You are an open-minded, communicative person with a good organizational talent.
- You are self-motivated, flexible and you like to work self-directed and independently.
- Your working style is very structured and you keep a cool head, even in stressful situations.
- You like to be part of a young, dynamic, multicultural team.

YOUR QUALIFICATIONS

- You are fluent in English & Italian
- If you have a moderate level of other European language, that's a plus.
- You completed your school education or vocational training, ideally with a background in economics/business/logistics.
- You have already gained work experience in the fields of logistics or you are motivated to change your career path.

Our offer:

The minimum salary for this position, depending on qualifications and professional experience, is € 1,800 gross per month. Your annual salary is made up of the basic salary plus a performance-related, variable, monthly bonus. You will receive this after completing your trainee program.
